COUNTRY INFO

Officially the Republic of South Africa, South Africa is the southern-most and 9th largest country on the African continent. South Africa has three capital cities: Pretoria (executive), Cape Town (legislative), and Bloemfontein (judicial). Its largest city is Johannesburg.

South Africa is probably best known for its history of apartheid, a legal system of segregation and discrimination based on race. Although apartheid officially ended in 1994, its legacy is still seen present-day. Despite this storied history, the natural beauty, culture, and attractions of South Africa are unmatched.

Johannesburg (aka Joburg or Jozi) is South Africa's largest city and its heart and soul. Soweto, a primarily black township in the southwest of Joburg, was the heart of the anti-apartheid freedom struggle. Other popular attractions include the Apartheid Museum, Vilakazi Street, the Hector Pieterse Museum, and Mandela House. **Cape Town** (aka the Mother City) is its 2nd largest city and regularly ranks as one of the most beautiful cities in the world. Table Mountain is its most famous landmark. Other popular attractions include Robben Island, Boulder's Beach, Bo Kaap, and Cape Point. **Mpumalanga** province is one of South Africa's most scenic and popular tourist destinations. It's home to the infamous Kruger National Park, the Blyde River Canyon, and the Sudwala Caves, believed to be the oldest known caves in the world. You'll visit all three during your time in South Africa.
